Partner Agency Application

Battle Ground Adventist Community Services (BG ACS) Diaper Pantry is a nonprofit, faith based charitable organization whose purpose is to assist low-income families to meet their need for diapers. We provide disposable baby diapers at no charge to local, approved partner agencies who then distribute the resources directly to families in need. The quantity of diapers available for distribution is variable and depends upon the resources of BG ACS Diaper Pantry.

Please tell us about your organization, the social service(s) you provide, and some general information about your average diaper needs (number of families you serve, diaper sizes needed, frequency of distribution, etc.):
